

# Certified Residential Management Company – CRMC

November 2, 2018, • News

## Why Hire a Certified Residential Management Company

The National Association of Residential Property Managers has several Designations and Certifications that members can attain. NARPM Designations are earned with a combination of Property Management Experience, NARPM and industry education, and service to the association through volunteer activities. **Certified Residential Management Companies** are headed by an MPM (**Master Property Manager**) and demonstrate the highest level of professionalism. Companies that apply for this designation are consistently the leading firms in their geographical area. They understand that continued success only comes with advancement.

### **Certified Residential Management Company Requirements**
